

BHARAT RATNA SIR MV Young Innovators Challenge

Guidelines for Group Participants

1. Participation is open for groups of 2 students from Classes 1 to 10.
2. An optional participation category is available for Classes 11 and 12 (Science stream) students.
3. School dropout children aged 6 to 18 years may also participate.
4. Each group must consist of 2 students of the same age group/class.
5. Each group can submit only one idea.
6. Ideas submitted by the group must be original and should not be copied from others or the internet.
7. Group participants are encouraged to identify real-life problems from their home, school, village, city, or society and propose innovative solutions.
8. While submitting the idea, groups must provide:
 - Students name
 - Class/grade
 - School name (if applicable)
 - Full address
 - Parent/guardian name and contact details
 - Idea title and description

9. Students may submit ideas related to:

- Agriculture & Farming
- Healthcare / Medical
- Assistive Technology
- Women Safety & Empowerment
- Transportation & Mobility
- Water & Sanitation
- Education & Learning
- AI / Technology / Digital
- Rural Innovation
- Waste Management
- Environment & Climate
- Renewable Energy
- Food & Nutrition

10. Groups may include drawings, sketches, charts, diagrams, photographs, or optional prototype details to support the idea.

11. Ideas may preferably be submitted in English or Kannada or any Indian language are also accepted.

12. After submitting your idea, a unique Idea ID will be generated and sent to your registered email address. You can use this Idea ID to track the status of your submission online at any time.

13. Ensure all participant and parent/guardian details are entered correctly before final submission.

14. All entries must be submitted before the announced deadline.
15. The decision of the jury/evaluation committee will be final and binding.
16. Selected groups may receive: Mentorship Support; Prototype Development Guidance; Certificates & Awards; Exhibition Opportunities; Innovation Recognition.
17. Ideas can be submitted through: Email Submission; WhatsApp Submission; Postal Submission; Online Submission Form available on the website.
18. Students and parents/guardians are encouraged to work together and support innovation through teamwork and creative problem-solving.
